Re: FOIA Request for TSCA Information; CASRN 68607-14-7 and CASRN 317833-96-8

Dear Sir or Madam:

Pursuant to the Freedom of Information Act (FOIA) (5 U.S.C. § 552), and EPA's freedom of information regulations, I am writing to request information regarding two chemical substances: (1) *Polyphosphoric acids, esters with polyethylene glycol mono-C11-15-sec-alkyl ethers*, with Chemical Abstracts Service Registry Number (CASRN) 68607-14-7; and (2) *Poly(oxy-1,2-ethanediyl), α-hydro-ω-hydroxy-, mono-C12-14-sec-alkylethers, phosphates*, with CASRN 317833-96-8. Specifically, please provide:

- (1) The Toxic Substances Control Act (TSCA) (15 U.S.C. § 2601 *et seq.*) Inventory Reporting forms (either "Form A's", "Form B's", "Form C's", "Form D's", PMNs, or any such forms) that resulted in the placement of these two substances on the TSCA Chemical Substance Inventory ("TSCA Inventory");
- (2) Any TSCA Inventory correction requests received for the substances;
- (3) A Chemicals in Commerce Information System (CICIS) (or equivalent) printout for each of the substances; and
- (4) The number of companies, if any, who reported these substances for the TSCA Inventory but who claimed their identity as confidential.

With respect to item (1), please note that we are requesting copies of the original TSCA Inventory forms reporting these substances, not, for example, a computer printout indicating receipt of reporting forms. We are also not requesting any TSCA Inventory Update Rule or TSCA Chemical Data Reporting Rule forms submitted for these substances.
